

XRS43 - Specification

Length overall	13.13m / 43' 1"
Beam	3.3m / 10' 10"
Draft	1.0m / 3' 3"
Displacement	7000 kg Dry
Fuel capacity	900 litres / 201 gallons
Fresh water capacity	225 litres / 50 gallons
Engine options: Petrol	Twin 662 HP MerCruiser NXT drives
Diesel	Twin 560 HP FPT ASD8 drives Twin 370 HP Volvo D6 DPR
Propulsion	Stern drives
Max speed	From 50 to 70 knots
Range	Up to 275 nm

Construction

Hand-laid GRP
Isophthalic gel coat
Moulded stripes and coachwork lines

Initial lay-up: Isophthalic resin, powder-bound glass fibre mat
Main lay-up: Orthophthalic resin triaxial composite

Hull

Deep Vee stepped hull
Trim tabs
Sink, shower and toilet outlets

Fuel and fresh water breathers
Bow thruster
Holding tank (including pump out)

Deck

Teak side decks and coach roof
Through hull stainless steel anchor/windlass
50m of galvanised chain
Self draining chain locker
1000 watt electric anchor winch with deck and cockpit controls
Stainless steel bow roller
Stainless steel bow plate
Stainless steel handrails
Stainless steel bow rail
Recessed stainless steel cleats (8)
Flush stainless steel fender eyes
6 fenders and 3 mooring lines

Integral teak bathing platform
Teak access walkway
Stainless steel fendering with rubber insert
Deck water filler
Deck fuel fillers
LED anchor and navigation lights
Hot and cold water recessed transom shower
Stainless steel ensign staff and socket
240v shore power connector and cable
Stainless steel transom grab rail
Stainless steel bathing/man overboard ladder
Swim platform lights

Helm

2 + 1 helm seats with hydraulic drop down squabs
Contoured console
Laser cut stainless steel dash panels
Full engine instrumentation
Twin throttle/gear controls
Garmin 5015 touch screen GPS/plotter/sounder
Fuel gauge

Compass
Horn
Icom DSC VHF
Trim tab controls
Fire extinguisher
Glass holders
Stainless steel grab handle

Cockpit

Teak cockpit sole
Self-draining cockpit
Floor lights
Curved framed windscreen with stainless steel surround and top/handrail
Sliding, lockable curved acrylic door to cabin
U-shaped upholstered seating
Wet bar with sink and electric refrigerator
Table mount
Storage under seating

Access to fuel taps
Wet locker for fenders
Rear upholstered sun bed with built-in head rests
Engine access
Glass holders
Storage locker under cockpit floor
Waterproof speakers
Stainless steel grab handles
Step access to deck
Tonneau cover

Saloon

Teak Saloon Sole
Choice of upholstered saloon seating
Choice of veneers, leather and Alcantara finishes
Table and mount
Alcantara headlining
Overhead lockers
Stowage beneath seats
Large deck hatch with blind and mosquito screen
Overhead lights

2 portlights
Radio/CD with iPod connection, two speakers in the cabin and two in the cockpit
Flat screen/DVD
Main switch/circuit breaker panel
Fresh water gauge
Fitted whipped carpet
Venetian blind
DC socket

Galley

Avonite worktop
Stainless steel sink
Hot and cold mixer tap
Stainless steel electric draw refrigerator
Ceramic hob
Overhead lockers

Double storage locker
Dual 240v socket
Hand-held fire extinguisher
1 portlight
Venetian blind

Forward berth

Alcantara covered double berth
Choice of veneers, leather and Alcantara finishes
Storage under bed
Alcantara headlining
Fitted whipped carpet

Overhead storage
Hanging locker with lighting
Upholstered headboard
Deck hatch with blind and mosquito screen
Overhead lights

Toilet

Avonite work surface with washbasin
Electric fresh water flush sea toilet
Hot and cold mixer tap
Water resistant toilet roll holder
Mirror

Recessed overhead lights
Opening deck hatch
Pressurised fresh water system
Storage locker

Shower

Hot and cold shower mixer tap
Automatic draining system
Porthole
Extractor fan

Venetian blind
Avonite work surface and washbasin
Storage locker

Engine Compartment and Ancillaries

Electrically controlled engine access hatch
Watertight bulkhead
Fuel filters/separators
Aluminium fuel tanks with electric sending units
Fresh water tank
Automatic fire extinguishers
Automatic bilge pump

Extractor fan
Batteries (1 each engine, 2 domestic, 1 bow thruster/windlass)
Double diode charging system
240v AC shore power
Battery charger
Hot water tank and 240v immersion heater
Engine room lighting

Extras

Stainless steel mast
Canopy/bimini
Generator
Air conditioning

Heating
Antifouling
Foredeck Sun bed

We would be pleased to quote for other agreed engine options

** Speeds and range figures are achievable but are adversely affected by loads, hull condition and sea state.*
